Introduction & Instructions

With amazing volunteers from all backgrounds and at all career phases contributing to its mission, ACUHO-I influences a universal improvement in campus housing and residence life by generating and sharing knowledge, practices, and solutions that are instrumental to the work that we do.

While our volunteers give back to our profession, they also gain and grow – raving that the unexpected leadership skills, connections, and opportunities they receive help inspire their personal goals and accelerate their achievement.

The ACUHO-I Volunteer Leader Application is a centralized application for the **chair track leadership** positions available for 2027. To see which positions are available for 2027 and specific dates of services, please visit our Volunteer Leadership Opportunities page.

Note: If you are looking for involvement in a non-chair track role, please view our Committee Interest Form for more information on available opportunities.

Applications close on Monday, October 7th at 11:59pm Eastern Time (US).

Navigating the application

Applicants may use the Previous button to return to portions of the application they have already completed to update or change their responses. There is also the option to Save and Continue, which will allow applicants to leave the application and return to the last point at which they completed a response at a later time.

Even with these navigation options, we strongly recommend applicants type their responses in a separate document and save them in a safe, accessible location in the event that any entries are interrupted by an unlikely system timeout or website error that could cause loss of data.

Your ACUHO-I member profile

All volunteers must be current members of ACUHO-I. We will merge details (personal, institutional, and demographic information) from your ACUHO-I online profile with your submitted application. **Your application will be considered incomplete if you have not completed and/or updated your profile information.**

Use the black **Member Login** button at the top right hand corner of the **ACUHO-I website** home page (www.acuho-i.org) to access and update your profile details. If you need assistance, please contact the **ACUHO-I Central Office** via email (office@acuho-i.org) or via telephone at 614-292-0099.

Selection

ACUHO-I's goal is to select a diverse group of volunteer leaders, representing a broad group of institutions to reflect the range of needs, interests, and points of view of our membership. Volunteer leaders who oversee each committee/network will review applications and select successful applicants, with final approval by ACUHO-I professional staff.

Individuals are welcome to apply for **up to 2 positions**, however, the association also aims to maximize the number of leadership opportunities available to the greatest number of professionals. As a general guideline, ACUHO-I will limit successful applicants to **one (1) committee/network/group**.
